

**CanMEDS Lecture Series presents:**

# **BIOBANKING AND PATHOLOGY**

**The 51% opportunity to create a 4P (Public-Patient-Pathology Partnership) solution**

**March 2, 12:00 – 1:30 PM**

**Eye Care Centre Lecture Theatre  
2550 Willow Street**

**Dr. Peter Watson,**

**Office of Biobank Education and Research (OBER)**

- 1. Lunch**
- 2. Presentation**
- 3. Discussion**

Learning objectives:

After this presentation the pathology professional will be able to:

- define a biobank,
- describe the activities involved in, challenges inherent to, and solutions that address biobanking,
- outline the reasons why biobanks are important for the public, patients and pathology
- discuss ways that pathology can lead biobanking

**Receive 1.5 hrs of credits for CME, section 1**

**Accreditation Statement:**

The Pathology CanMEDS series is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada.
