Professional Advancement Learning Series presents:

Creating your professional CV: Are you really a wolf but in sheep's clothing?

October 19, 12:30 – 1:30 PM

**Diamond Health Care Centre – Room 2263
2775 Laurel Street**

Learning objectives for CanMEDs roles of *Scholar* and *Professional*:

Dr. Ken Baimbridge, Dept. Cellular and Physiological Sciences:
What is an **Annotated CV** and why should you have one? How will it help you get a job, get promotion and maybe even tenure?

Dr. Janice Eng, Dept. Physical Therapy:
What is the latest on the **CIHR Common CV**? Why do you need one to get research grants?

Simon Dee, Dept. Pathology and Laboratory Medicine:
Continual tracking of **CV worthy actions** in your work life - and using a database to do that.

Surprise Mystery Speaker:
When hiring people what makes your **CV stand out** from the crowd, to get you that dream job?

1. Lunch 2. Presentation 3. Discussion

Receive 1 hr of credit for CME, section 1

Accreditation Statement:

The Pathology Professional Advancement Learning series is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada.
