How to find a career in Pathology that fits you: A not so hidden curriculum for finding a job

Dr. David Goldfarb
BC Children's Hospital

April 7th 2017

Lunch: 12:15 – 12:30 pm | Lecture: 12:30 – 13:30 pm
VGH Paetzold Theatre 1891 LT

After attending this PALS session attendees should be able to:

1. List some “non-pathology” skills that are important in your career
2. Understand the importance of your CV and references
3. List some challenges faced by laboratory directors when hiring “entry-level” pathologists
4. Decide how to develop your expertise/skills: Are you and “in demand” candidate? Do you want to be?
5. Understand the logistics of securing a position: Things are not always that straightforward
6. Appreciate the challenges and opportunities of spending some time working overseas
