

**PROFESSIONAL ADVANCEMENT LEARNING SERIES
PRESENTS:**

What makes a great Canadian medical leader?

Dr. Bruce Forster, MD, FRCPC

Professor & Head, Department of Radiology

Dr. Blake Gilks, MD, FRCPC

Professor

January 13, 2017

Lunch: 12:15 – 12:30 pm | Lecture: 12:30 – 13:30 pm

VGH PAETZOLD THEATRE 1891 LT

After attending this PALS session, attendees should be able to:

1. Iterate the typical characteristics of great leadership, and understand whether they are learned or inherited
2. Define emotional intelligence, and give examples of world leaders who exemplify it
3. List five cornerstones for great leadership, and understand in particular the roles that failure, crisis management, and story-telling in communication play in defining a great leader
4. Be aware of leadership needs/ opportunities in Pathology and Laboratory Medicine and how they can prepare themselves to meet these needs and take advantage of these opportunities

Receive 1 hr of credit for CME, section 1

Motto: Teaching what you can't learn from a book

Accreditation Statement:

The Pathology Professional Advancement Learning series is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada.
