

Professional Advancement Learning Series presents:

Consumer Genomic & Microbiomic Testings

Presented by

Dr. Stephen Yip

- Assistant Professor (Partner)
- Affiliated with Centre for Translational and Applied Genomics

April 8, 2016

Lunch: 12:15 – 12:30 pm | Lecture: 12:30 – 13:30 pm

Eye Care Centre ECC 100 LT

(No Food or Drink allowed in the ECC lecture theatre)

(2550 Willow Street)

After attending this PALS session attendees should be able to:

- 1. Understand the technological revolution in genetic profiling that underlies the proliferation of current consumer genomic/microbiomic testings**
- 2. Appreciate the current landscape of direct-to-consumer (DTC) genomic testings**
- 3. Identify the benefits, risks, and pitfalls of DTC genomic testings**

Receive 1 hr of credit for CME, section 1

Motto: Teaching what you can't learn from a book

Accreditation Statement:

The Pathology Professional Advancement Learning series is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada.
