

Professional Advancement Learning Series presents:

Errors in Laboratory Medicine

Presented by

Dr. Debbie Griswold

- Hematopathologist
- Chair, Test Review Committee
BC's Agency for Pathology and
Laboratory Medicine

February 9, 2018

Lunch: 12:15 – 12:30 pm | Lecture: 12:30 – 1:30 pm

VGH Paetzold Theatre 1891 LT

By the end of this session you should:

- 1. Know the approximate prevalence of errors in lab medicine and the phases of the testing cycle that are most error-prone**
- 2. Be able to describe why errors are made in healthcare and the principles of strategies to reduce them**
- 3. Be able to describe what initiatives BC's Labs are considering or implementing to reduce errors**
- 4. Know about the BC Patient Safety and Learning System**

Receive 1 hr of credit for CME, section 1
Motto: Teaching what you can't learn from a book
Accreditation Statement:

The Pathology Professional Advancement Learning series is a self-approved group learning activity (Section1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada.
