

PALS (Professional Advancement Learning Series) presents

Presented by

Dr. Lisa Osborne

PhD

**Assistant Professor, Department of
Microbiology and Immunology**

Friday, May 3rd, 2019

Lunch: 12:15 – 12:30 pm | Lecture: 12:30 – 1:30 pm

****Diamond Health Care Centre (2775 Laurel Street)**

1020 LT (main floor)**

Host-multibiome Interactions **How the Ecosystem within us** **Influences Immunity and Inflammation**

Learning Objectives:

- Introduce the concept of a 'multibiome' ie the biodiverse collection of microbes and multicellular organisms that resides within mammalian intestines.
- Discuss specific examples from the literature implicating components of the multibiome in regulating host-protective immunity and pathologic inflammation.

Receive 1 hr of credit for CME, section 1

Motto: Teaching what you can't learn from a book

Accreditation Statement:

The Pathology Professional Advancement Learning series is a self-approved group learning activity (Section1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada.
