

PALS (Professional Advancement Learning Series) presents:

Burnout in Lab Medicine

February, 5th, 2021

12:00 - 1:00 PM

Virtual meeting on Zoom (link provided in email).

Dr. Julia Keith, MD, FRPC

Associate Professor in Neuropathology,
Department of Laboratory Medicine & Pathobiology,
Sunnybrook Health Science Centre
CanMEDS roles: Leader, Health Advocate

Learning Objectives

At the end of the meeting participants will be able to:

- Describe the phenomenon of physician burnout including its characteristics and prevalence among physicians in general and Canadian laboratory medicine physicians in particular.
- Identify the potential implications of physician burnout on physicians themselves and the quality of patient care that they provide.
- Apply a framework to justify creating meaningful physician wellness infrastructure.
- Apply a framework to identify various drivers of Canadian laboratory medicine physician burnout and potential corresponding mitigation strategies.

Receive 1 hr of credit for CME, section 1

Motto: Teaching what you can't learn from a book.

Accreditation Statement:

The Pathology Professional Advancement Learning series is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada.
